

CYNTHIA A. STERLING
COUNCIL PRESIDENT

January 22, 2009

Dear Community Leader,

I had the great pleasure of attending the opening of the Fresno Early Local Census Office at **258 N. Blackstone Ave.** today. I'm calling upon you – a District Three community leader - to help me inform the community of job opportunities with the census office.

This office opens at a time when massive numbers of Fresno residents are out of work and in need of an income to support their families and contribute to the local economy. District Three has been especially hard hit. Starting today, and for the first few months of operation, the census office plans to hire anywhere from 600 to 800 employees and will continue hiring until June 2010.

I encourage you to direct those in need of work to apply with the Fresno Early Local Census Office. For more information call **1-866-861-2010**.

Should you have any further questions or concerns, please contact my office at (559) 621-8000 or via e-mail at District3@fresno.gov.

Sincerely,

CYNTHIA A. STERLING
Fresno City Council President, District Three
